Ensemble entertains in Old Town Albuquerque

Five members of the Air Force Band of the West provide lunchtime entertainment at the gazebo in Old Town July 11. Gateway Brass, an ensemble from the band, provided this courtesy performance as one way to “give back to our

communities.” The group played a little bit of everything from classical and contemporary to patriotic tunes that were enjoyed by children to senior citizens who came and listened.

Ballpark streakers punished

Two Air Force officers who were arrested after running naked across the Albuquerque Isotopes Ballpark May 30 have been punished by Kirtland AFB officials.

Base officials investigating the incident concluded that the officers, while under the influence of alcohol, disrobed and ran across the outfield shortly after the end of the game.

The two officers accepted Article

15 proceedings under the Uniform Code of Military Justice for indecent exposure and conduct unbecoming an officer and a gentleman. Both were found to have committed the alleged offenses.

Their punishments included significant forfeitures of pay and reprimands.

Such conduct is neither condoned nor tolerated in the U.S. Air Force.
